

# MISSIONARIES OF ST FRANCIS DE SALES

## *Fransalians - Province of East Africa*

Provincial Circular JK.4

November 22, 2011

Beloved Confreres!

Greetings of peace! I am very glad to greet you as we are entering yet another new liturgical year beginning with the Advent. The people, who were promised the Redeemer, were waiting generations after generations. This promise was fulfilled by God in the fullness of time with the further possibility of satisfying the thirst of the *waiting ones* by way of the extended ministry of Jesus through the sacred ministers – the priests who live and act in *Persona Christi*. Whenever a person makes a vow, whenever one is ordained a priest, a promise is made - to the people somewhere even unknown to us - to be fulfilled at a particular time and context. **This means the context of the mission of every one of us is planned in all eternity. Hence it implies that there are people who wait for us.** There are specific customers who are entitled to receive *Fransalian Service*. Who are those? Where are those? One needs to look for those ones in whose lives God wants him to work.

Hence my dear fathers and brothers, this Advent reminds us of the people waiting for our ministry as planned by God even before you and they were born on earth. To meet those ones we need to get out of our comfort zones, we need to go beyond our accustomed circle of relationships; we will have to walk the unfamiliar paths; we need to listen to and communicate in languages hitherto unknown to us. My person, vocation, consecration and ministry are the various dimensions of the mechanism employed by Jesus in and through the Church, in order to come to the assistance of the waiting ones.

Am I to determine the target group of my ministry? Have I the right to determine the quality and quantity of the Grace of God dispensed through my ministry? Is my missionary prophetic zeal damped by the attractions of the world and hence not being able to listen to the cry of the waiting ones?

**Advent tells: *There is someone waiting for YOU. You are being awaited; Go to the ones to whom God wants you to go.***

### Meetings in India

With sincere sentiments of gratitude for your prayers, I like to inform you that I could participate in the training cum meetings of the Leadership Forum and the PIF (Provincials of India Forum) & EA. The meetings as well as living together with confreres from various other Provinces and sharing the news and concerns was very enriching and encouraging. The meetings helped a lot to facilitate global thinking and to focus on the missions in Africa. The meetings were conducted at Stella Maris the Provincial House of the Mother Province of Visakhapatnam.

### The nostalgic Vizag

Having got a change to spend a few days in Visakhapatnam, more than 27 years after my novitiate there, I consider a great blessing. It was an exciting experience of visiting the Salesianum the Novitiate house and to celebrate the Eucharist with a vibrant and lively community. Interactions with the elderly veteran missionaries at Stella Maris and other communities were truly enriching experiences. Concerning their work I would sum up and say: **With LESS they did MORE!** I mean although they had less resources, less facilities, less infrastructure, less personnel etc they could do a lot of work of

evangelization. It is a clear indication that the quality and extent of our missionary work does not depend primarily on what we have but on what we are and our good will to do.

Sincere appreciation and thanks to Rev. Fr. Simon Paicatt the Provincial and all the members over there for the warm hospitality, care and concern.

I also express my sincere thanks to Fr. Sunny Mattathil for being the Provincial Vicar during my absence from East Africa.

### **Visit to Uganda**

Although for a very short time, according to the schedule, I was very happy visit our two missions in Uganda, in the Archdiocese of Tororo. Our confreres Fr. Sebastian Nirappel and Fr. Francis Kallikat are doing very well in the apostolate entrusted to them in the parishes of Osia and Agururu respectively. The church construction at Osia is nearing completion. It was my first ever visit to Agururu too. I also had the opportunity to meet **His Grace Denis Lote Kiwanuka**, the Archbishop of Tororo. He was full of appreciation for the services our confreres render and he reminded me of his repeated request to provide more priests and to take up new parishes in his Archdiocese.

### **New Provincial: English Province**

From the communiqué given by Fr. Agnelo Fernandes our Superior General the English province has a new Provincial in the person of **Rev. Fr. Terry McGrath**. Fr Terry McGrath at present is the Retreat Director of Parkside House at Harrogate in North Yorkshire. He will assume charge of his responsibility from January 24, 2012. We wish him every blessing in this new ministry of leadership.

On behalf of East Africa province and very personally I thank **Rev. Fr. Martin Griffin** the outgoing Provincial of English Province. We remember with gratitude his genuine concern and interest for the missions in East Africa. May God bless you.

Soon he will be attending one month intensive Swahili language course at LCI Arusha. We extend a very hearty welcome to Fr. Joseph Vettukattil and wish him very fruitful and fulfilling ministry in East Africa.

### **Fransaliam Code of Ethics**

You have already received by email the text of the promulgated Code of Ethics for the MSFS. As Rev. Fr. Thomas Cherukat had shared with us during the Provincial Congress, many matters concerning the significance of the same, I request each community to take a print out and study the document personally, in community and Apostolic Community. The purpose of the study is to understand the mind of the document and to realize its serious implications. As members of East Africa Province we need to contextualize the document by inserting matters relevant in our situation and life. Your insights, findings, observations, suggestions etc should reach the office of the Provincial by the end of April 2012.

**Fr. Jacob Puthiyidathuchalil:** Fr. Jacob from the Southern African Region (North East India Province) was with us in East Africa during the last three years. He worked at Fransalian Seminary Ndagani as the formator and spared no efforts in recruiting the candidates. Our sincere appreciation to Fr. Jacob for his kind services to our mission. We wish him also every blessing in the days to come wherever he is. Fr. Jacob will be leaving Ndagani on December 9, 2011.

**Fr. James Nedungatt:** Fr. James was at our mission house in Angamaly during the last six years. He was all alone, courageously facing the challenging situations and rendering every necessary assistance for the mission in Africa whenever he was asked for. We appreciate very much the hard work he has done to bring up the farm and to maintain the house. It is very remarkable that Fr. James made himself totally available for pastoral ministry especially for the sacrament of reconciliation in all the parishes and retreat centers around. In the coming days we wish him happy holidays and a rejuvenating time.

**Fr. Jose Eriyanickal:** Fr. Jose served the province as the Provincial Bursar during the last six years. We have witnessed his selfless dedication to this office along with other responsibilities entrusted to him by the Congregation. He also found ample time for pastoral engagements during this time. ### **Ndagani Seminary Kenya – Re-opened**

After many challenging days of troubles and restlessness, the situation at Fransalian Seminary Ndagani is calm now. I thank you very sincerely for the prayers and your genuine concern in those moments of difficulties. I also appreciate the solidarity and genuine concern shown by the **Bishop of Meru Most Rev. Salesius Mugambi** and the local clergy, other religious, the civil authorities, the police force and parish leaders in coming to our rescue and to console and strengthen us. My sincere appreciation for all our confreres in Kenya for the magnanimous courage and deep faith in God, with which they faced the times of trials. The deep sense of solidarity and unity and genuine concern for one another was very well manifested in every step. The seminary was reopened again on November 8, 2011. The police offers the seminary special protection still for some more days. Let us continue to pray that God will keep us safe. We wish the Fathers and Brothers at Ndagani Seminary a new beginning with new confidence.

### **Conclusion**

Beloved Confreres!

Beginning of yet another liturgical year and sometime later the calendar year reminds us of the REALITY OF TIME. As we pass each moment we are closer to that moment when our life takes 'U' turn when the earthly part of our journey into eternity, is over. But the journey continues with a new boarding pass at the transfer desk of death. If not today tomorrow we will be at that transfer desk; we will be asked by the author of our lives not only on matters concerning our lives but equally on matters concerning the lives of those for whom your life and mission were meant from all eternity.

The call of Advent is to turn to them who need you according to the plan of God. Just as Jesus turned to us let us also turn to them and be the Good News to them today. I wish you a very holy and peace filled season of Advent.

Yours in the Eucharistic Lord

Fr. Johnson Kallidukil msfs  
(Provincial Superior MSFS East Africa Province)

Again, one preparing to sail and about to voyage over raging waves calls upon a piece of wood more fragile than the ship which carries him. For it was desire for gain that planned that vessel, and wisdom was the craftsman who built it; but it is thy providence, O Father, that steers its course, because thou hast given it a path in the sea, and a safe way through the waves, showing that thou canst save from every danger, so that even if a man lacks skill, he may put to sea. It is thy will that works of thy wisdom should not be without effect; therefore men trust their lives even to the smallest piece of wood, and passing through the billows on a raft they come safely to land. (Wisdom 14: 1-5)
