Provincial Circular EAP – MT.14 **Nov 30, 2019**

My dear Confreres,

As we begin the season of Advent, let us experience the closeness of Jesus, who became a human being in order to save humanity. May the liturgical services and reflections during this season of Advent reinvigorate our faith and hope in the Incarnate Word! I wish you all a grace-filled season of Advent!

COME, LORD JESUS

We begin a new journey of faith with the beginning of the season of Advent. The liturgy of the Church prepares us for the annual celebration of Christ’s birth and at the same time it also directs our gaze to our final goal- our final encounter with the Lord who will come in splendour and glory. It is precisely in this double perspective that we must live the season of Advent. We look at the first coming of the Son of God, when he was born of the Virgin Mary and simultaneously to his glorious return, when he will come “to judge the living and the dead”, as we recite in the Creed.

The vision of Advent is twofold; it looks back at the first coming of Christ at Bethlehem, and it also points to the future when Christ will come again. In the interval between these two events we must find meaning for our life as Christians. The season of Advent prepares us to celebrate the Incarnation of Christ. The love of God that Jesus revealed to humanity and his exhortation to love and forgive one another is the hallmark of his life, which was culminated on the Cross. Through his life, passion, death and resurrection, Christ orients us to eternal life. The Incarnation of Christ becomes meaningful only in the context of his Resurrection. The Resurrection of Christ gives meaning and hope to our life here on earth and prepares us for the life to come. The season of Advent invites us to live a life based on the Gospel message which would lead us to eternal life.

The Jews expected a Messiah, who would liberate them from political bondage and restore the lost glory of Israel. They never thought that he would be born of a humble and unknown woman.

They could not understand the establishment of a spiritual kingdom based on love and mercy. Misguided expectations about the Messiah led them to take his life. What are our expectations of Christ? How do we live Christ in our daily lives? Has the birth of Christ become meaningful to my life? Are we really looking forward to his second coming? If yes, are we prepared to receive him? The answers to these questions should help us to live the message of the Gospel in our own lives.

The scriptural readings of the season of Advent invite us to re-focus our life on God alone. The readings encourage us to shift the focus of our life from ourselves and the worldly values to God and eternal life. There is a need for constant vigilance and prayer to experience the closeness of God in our daily lives. Let us not allow this season of Advent and Christmas to be merely an annual ritual exercise without any meaning for our life. The last but one verse of Scripture says: Come, Lord Jesus (Rev. 22:20). Let us allow Jesus to come into our lives and fill us with peace, joy, love, faith and hope here on earth as well as in the life to come.

NEWS FROM THE GENERALATE

CAUSE OF OUR FOUNDER

Rev. Fr. Yves Carron, the Assistant Superior General and the Postulator for the cause of our venerable Founder Fr. Mermier writes:

I am very glad to share with you that we had the tribunal hearing session in Annecy (in the Pastoral Center of the diocese – La Puya) on 19th October 2019. The theological censor (Père Marie-Joseph Huguenin) has submitted his 49 pages report and given his depositions. Please be reminded that we needed two reports from theological censors. The first report was given by a Redemptorist priest a few years back. So now we have two theological censors' reports as required by the law. The historical commission (comprising of Sr. Odile, a Holy Cross Sister of Chavanod, and Mr. Bouchet the Archivist) also has submitted their report and their depositions during the same session.

We have heard two witnesses during the tribunal session (Mrs. Joëlle Mermier- a fourth-generation niece, and Marie-Valerie Gow, a parishioner of Chaumont, birthplace of Fr. Mermier). We are in the process of gathering more witnesses, and will be organizing another tribunal hearing session when the witnesses are ready. Now, the process would not be complete, unless we hear the witnesses from wherever the MSFS are working. We definitely need at least 20 witnesses from India (of which 4/5 of them could be our own confreres), and at least a few of them from Africa (as well as other parts of the world like England, Brazil or USA). The witnesses don't necessarily need to have a very deep knowledge of the founder. If they have, it is well and good. What they need to share before the tribunal is that they have at least;

- 1) a basic knowledge of Fr. Mermier,
- 2) his reputation of sanctity and virtuous life and
- 3) his intercessory power.

My dear confreres, I kindly request you to send the information regarding the favours received through the intercession of our holy Founder to Fr. Sebastian Williams, who is the Vice-Promoter in our Province. Thus, we can speed up the beatification of our Founder.

YEAR OF FRANSALIAN ASSOCIATES

Rev. Fr. Superior General has declared 2020 as the year of Fransalian Associates. It begins on January 24, 2020 and ends on January 23, 2021. During this year of Fransalian Associates, we shall strengthen Fransalian Associates in our Province by initiating a formation programme in view of helping and encouraging people to consecrate themselves to God as Fransalian Associates, to intensively study the spirituality of St. Francis de Sales and its practical applications in daily living and to live a life of holiness following the Spiritual Directory. I call upon the Coordinators of each country to organize Fransalian Associates in every parish/Institution.

NEW PROVINCES

On October 24, Rev. Fr. Superior General has erected two new Provinces – **Guwahati** and **Dibrugarh** - dividing the present North East India Province. Both Provinces will come into effect on January 24, 2020. Hearty congratulations to the confreres of erstwhile North East India Province for missionary initiatives and growth both in the number of centres and personnel which led to the establishment of two new Provinces. May God continue to strengthen your missionary dynamism in both Provinces.

Salesian Thought

Let us walk happily and joyously, dear souls, among the difficulties of this passing life; let us embrace with open arms all the mortifications and afflictions that we will meet on our way, since we are sure that these pains will have an end when our life ends, after which there will be only joy, only contentment, only eternal consolation.

(Sermons of SFS on Eternal Happiness).
